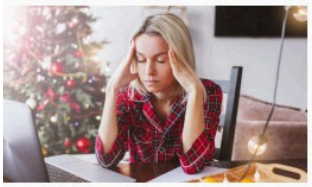
The PSFS is a non-profit organisation based within the civil service. We provide financial assistance and advice to our members in times of need. We are a completely independent and confidential service.

How We Can Help



Christmas brings financial stress for so many. We can provide financial support to its members who are in financial difficulty in preparation for the festive season. Christmas grant applications are available through our website www.psfs.ie

PSFS Promotions 2025

The PSFS ran a number of successful promotions/competitions during 2025 including a Student Bursary Competition, a Back to School vouchers draw and a Christmas grocery vouchers draw. Winners have been contacted. Keep an eye on our website for future promotions.
